4. Click on Login Button.

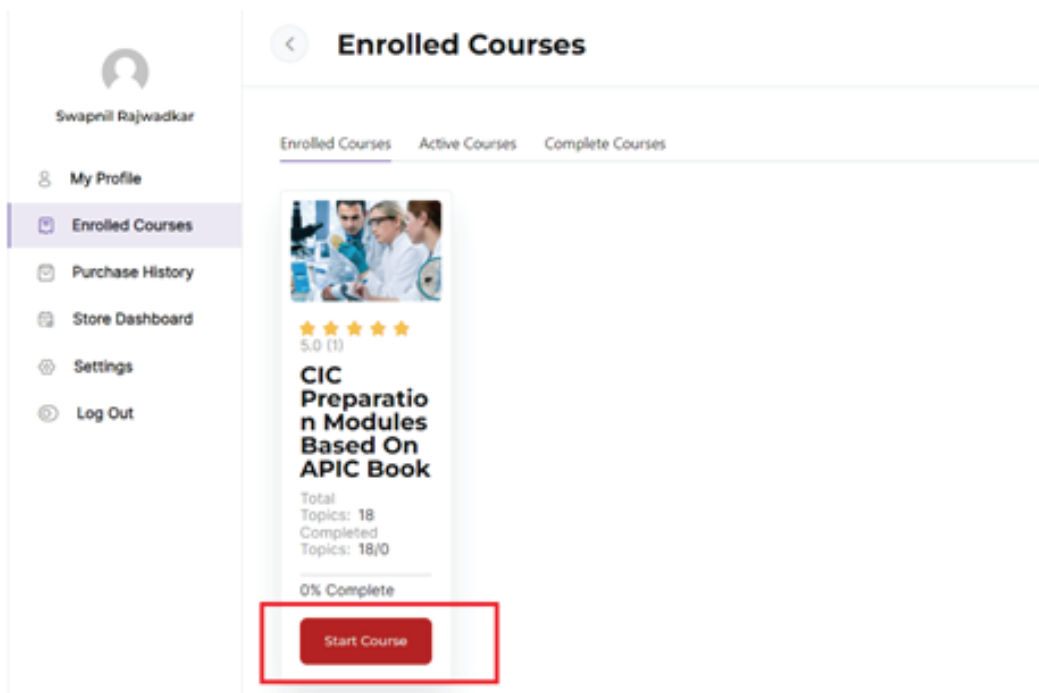

Once Login Then,

5. Click on Enrolled Courses.

6. Click on Start Course.

7. Then you can see the course content.

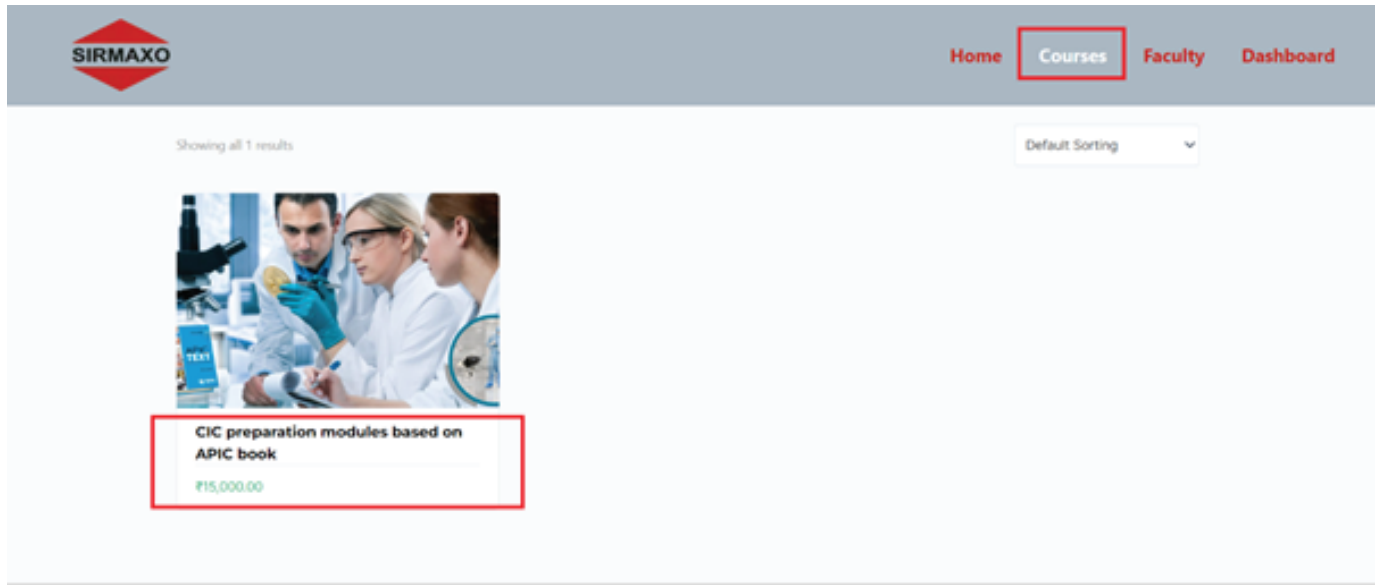

The screenshot displays the 'CIC preparation modules based on APIC book' course interface. The main content area is titled 'Surveillance' and features a flowchart with three chevron-shaped boxes: 'Device associated infections' (orange), 'SSI' (grey), and 'MDROs' (yellow). Below 'Device associated infections' are the bullet points: CLABSI, CAUTI, and VAP. Below 'SSI' is a red play button icon. Below 'MDROs' are the bullet points: MRSA, VRE, CRE, and 'Others depending on epidemiology'. A small video thumbnail is visible on the right side of the main content area. On the right sidebar, the 'Course content' panel is open, showing a list of topics with expand/collapse icons (+/-). The topics are: Overview of infection control programme (+), Preventive measures of health care associated infections (+), Identification of infectious pathogen Microbiology aspect (-), Risk Factors Facilitating (selected with a red box), Laboratory services and biosafety (-), Immunocompromised host (-), Microbial pathogenicity & host response (-), Microbiology basics and lab diagnostics (-), Antimicrobials & Resistance (-), Employee and Occupational health (+), Surveillance and Epidemiologic investigation (+), Infection prevention for speciality care populations (+), and Infection prevention for speciality care populations (+). The top right corner shows '0% Your Progress' and a close button (X).

8. Once you completed one module then Mark in the check box.

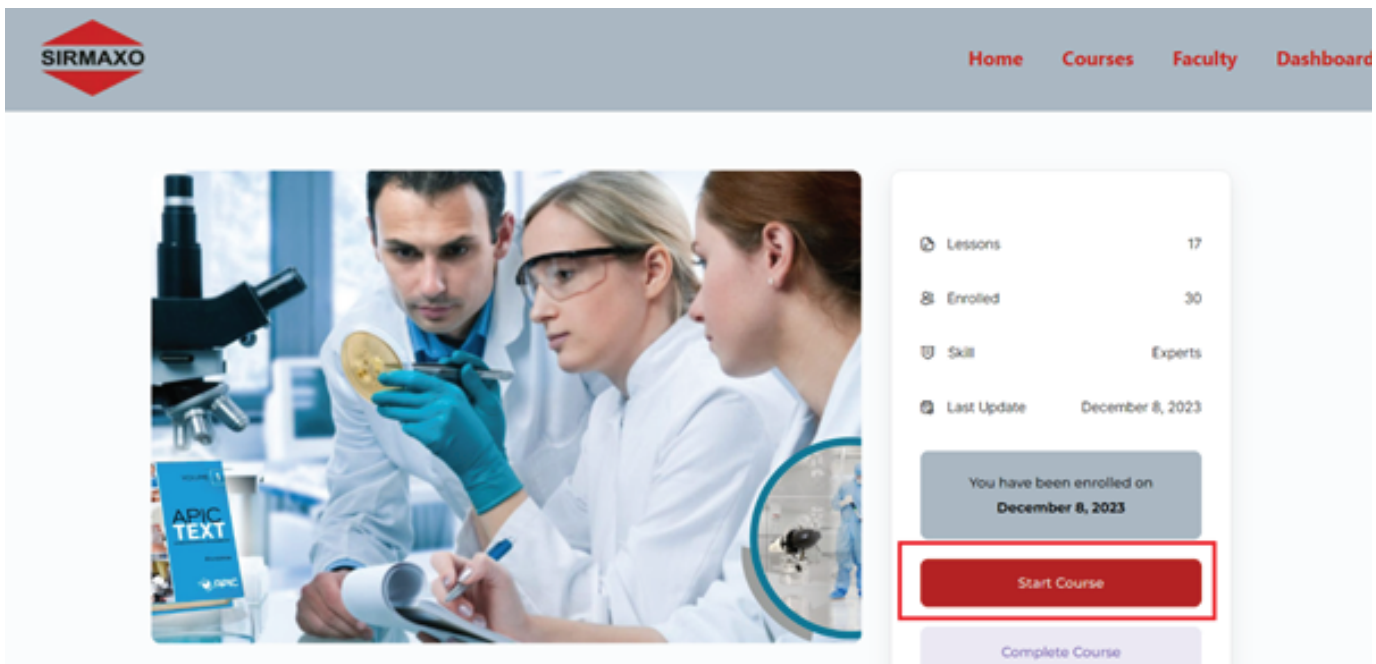

This screenshot shows the same course interface as the previous one, but with the 'Marked as complete' checkbox checked for the 'Risk Factors Facilitating' module. The main content area remains the same, showing the 'Surveillance' module flowchart. The right sidebar 'Course content' panel is still open, and the 'Risk Factors Facilitating' item now has a blue square checkbox with a white checkmark, which is highlighted by a red box. The top right corner now shows '6% Your Progress' and the same close button (X).
